## GRAND JURY

For the December Term of the Mason Circuit Court Returns Several Indictments Yesterday, Makes Its Report and Asks to be Excused.

The Grand Jury for the December term of the Mason Circuit Court returned six indictments yesterday, made its report for the term and asked to be excused. The jury was in session a total of four days during this term of court.

The following indictments were returned yesterday:

William Pierson, obtaining property under false pretense, two counts, bail of \$250 in each indictment.

Thomas Lucas, violating local option law, \$100.

W. H. Farwick, having liquor in possession for purpose of sale in local option territory, \$100.

Gill Edwards, Fern Edwards and Orville Edwards, setting net in running water, \$50 apiece.

J. Quincey Ward, setting fish net in running water, \$200.

The last indictment named is against the State Game Warden. Mr. Ward, it is claimed employed Mr. Frank Bierley of this city to trap fish in the Ohio River with a net. The fish were then shipped to Lexington. The offense occurred last summer.

The following was the report of the Grand Jury:

We, your Grand Jury, report that we have examined witnesses in 23 cases, found 21 indictments and dis-

missed two cases for lack of testimony. We have examined the various county offices and county jail and find them in good condition.

"Our attention has been called to the reckless and careless driving of motor machines on the public roads of our county. We, the Grand Jury, recommend that the law on this matter be enforced by the proper officials.

"We also recommend that the proper officials take steps to make our County Infirmary self sustaining.

"No further business we beg to be excused."

H. R. CHILDS, Foreman.

In the Court William Hunter was fined \$100 and given 40 days in jail for selling liquor in local option territory. On another indictment he was fined \$100 and given 20 days in jail.

## EXCELLENT ENTERTAINMENT

The Savranoffs, a company of Russian musicians, appeared on the stage at the High School auditorium last evening and presented a very excellent program. The instruments used were the piano, violin and cello and at the close, two of the national instruments of Russia were used. The program was well selected and executed with an ease and grace that at once proclaimed the members of the company as masters of their art.

The next number of the course will be on Tuesday, January 3. Julius Caesar Naphe, a Greek, will deliver a lecture on his native country. This number promises to be very interesting.

Never has there been shown a line of "French Ivory" to compare with that shown by Murphy, the Jeweler. They enamel and engrave it to suit customers. Call and have a look.

A special service will be held to-night at 7 o'clock at the Central Presbyterian Church preparatory to the communion on next Sunday.

## SMALL SALES

On the Local Tobacco Market Yesterday and Offerings Still Remain Medium — About 40,000 Pounds Sold.

A very small amount of tobacco was sold on the local market yesterday, the total sales of the day exceeding 40,000 pounds. The offerings were considered very medium by the warehousemen although the average for the market will reach \$15 per hundred. The prices paid for the weed ran from \$8.50 to \$29 per hundred.

The recent cold spell is having its effect on the amount of tobacco being brought into the market. There has not been enough damp weather to bring the tobacco into case fully and it will take several rainy days to bring this about.

CHRISTMAS BANQUET TO THE YOUNGER MEMBERS OF CHRISTIAN BIBLE SCHOOL

There will be something new in the way of a treat to the children of the Christian Bible School. It has been the custom of this school for the past three years to have a giving Christmas and only treat the children from the Junior department down. These were usually given candy, something that the children usually have a plenty of from other sources. Therefore it was decided that this year a Christmas Banquet be given the members of these departments which includes the Juniors, Primary Beginners and the Cradle Roll. The menu will be appropriate for each department. A most enjoyable time is being planned for these young folks. The parents or old members of the families may, in fact are asked to come to look on and see how the children enjoy themselves. The time for the banquet is from four-thirty to five-thirty on Thursday afternoon, December 21. This time has been selected as the most appropriate for these ages. There will be the first treat of this kind given to this age children in this city.

WILL PLAY LEXINGTON

The basketball team of the Mayeville High School will meet the team from the Lexington High School on the local floor. A game with Newport had been scheduled for the evening but arrangements could not be made with that team satisfactorily. The Lexington High School is the second largest in the state and they have an excellent team. The local boys have, however, the hopes of beating them. They have not lost a game this season and they bid fair to continue their winning streak. The probable line-up for the opening of the game for Mayeville will be: Wood, center; Smoot and Everett, forwards; and Downing and Bowman, guards.

We give below the number of times each word was missed and the

Within the city limits of Los Angeles there are twenty-five parks, aggregating more than 4,000 acres in extent.

It is the consensus of opinion among quiet folk that entirely too much history is being made these days.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

### 45 MEN

Will Canvass the Members of the First Baptist Church of This City on Next Sunday in Regard to the Missions and Benevolence Budget of the Baptist Church

Next Sunday is expected to be a great day in the history of the local First Baptist Church. At the last business meeting of the church a \$700 Mission and Benevolence budget was adopted for the year 1917 and next Sunday all the members are requested to remain at home from 2 o'clock to 6 o'clock at which time 34 men of the church, divided into pairs will visit the membership, give whatever information is necessary and receive the subscription for the coming year. A report will be made by the men at the 7 o'clock evening service, after which Mr. Hubbard Schwartz, a prominent attorney of Newport, Ky., will deliver an address from the subject, "The Man With a Message." Mr. Schwartz is an eloquent and pleasing speaker. A very attractive feature of the day's program is that the 34 men to make the visitation will go from the morning preaching service to the Baraca room of the church where they will partake of a substantial luncheon, talk over the matter in hand and go from the church to the homes of the members. This budget embraces every interest fostered by the church such as church building, Sunday Schools, Colportage, Evangelism, Helping weak churches, paying salaries of missionaries, Woman's Missionary Union, B. Y. P. U., Young Woman's Auxiliary, aiding aged and needy ministers and the Kentucky Baptist Children's Home Society.

This budget of the local church helps to meet the budget of Bracken Association, which is \$4,125 and the budget of Bracken Association helps to meet the budget of the General Association of Baptists in Kentucky, which is \$225,000 and the budget of the General Association of Baptists in Kentucky helps to meet the budget of the Southern Baptist Convention, which is \$1,055,500.

### LAYING RAILS RAPIDLY

(Bracken Chronicle)  
On Wednesday, December 6, James Broshears, Supervisor on this division of the C. & O., with a force of 31 men, broke the record for laying new steel. On this day 335 rails were laid and on Thursday 335. The average has been about 125 rails heretofore. The C. & O. is putting in new steel rails between Foster and Ivor, a distance of eight miles. Nineteen car-loads of steel is required between these points. Mr. Broshears formerly lived in Augusta, and his friends here will be pleased to know that he is more than making good in his new position.

Mr. Broshears makes his headquarters in this city and is very energetic in getting his division of the road in first class shape. He is one of the most popular men connected with the C. & O. system on the Cincinnati division.

### SUCCESSOR ELECTED

(Bracken Chronicle)  
At a meeting of the Augusta School Board Saturday night, James T. Norris was elected Superintendent in place of A. J. Jolly, resigned, while Rev. H. S. Calkins will act as principal of the high school, temporarily. Rev. Calkins has been teaching Mr. Norris' studies during the absence of Superintendent Jolly and has given satisfaction. The election of Mr. Norris as Superintendent insures that the school will be continued on the same high plane, and this action on the part of the School Board is sure to result to the best advantage to the school.

### THIS IS CERTAIN

The Proof That Maysville Readers Cannot Deny.

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills have brought lasting results.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

Mrs. Della Luneford, 328 E. Front street, Maysville, says: "I think kidney trouble came from a strain in my case. I had sharp, shooting pains through my kidneys and a dragging down feeling through my hips. I had dull headaches and dizzy spells and often if I hadn't caught hold of something for support, I would have fallen. It finally began to notice symptoms of dropsy. My feet began to swell and at times my hands were the same way. Doan's Kidney Pills cured me."

A PERMANENT CURE  
OVER THREE YEARS LATER.  
Mrs. Luneford said: "Doan's Kidney Pills have completely and permanently cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Luneford has twice publicly recommended. Foster-Milburn, Props., Buffalo, N. Y.

## THOMAS P. BOONE

Resigns His Position as Secretary of the Chamber of Commerce Before the Board of Directors Yesterday.

Mr. Thomas P. Boone, secretary of the Chamber of Commerce, yesterday afternoon tendered his resignation from that position, to take effect as soon as possible. The resignation came as a great surprise to every member of the Board. The resignation was accepted by them, but no action was taken to elect a successor, the Board feeling that they should look around before choosing a man for such a responsible position.

Mr. Boone has accepted the secretaryship of the Henderson, Ky., Chamber of Commerce. This organization was very anxious to secure his services, and out of nine applicants for the position Mr. Boone was the only one that did not make a written application. He will go there at an increase in salary of \$600 per year. Henderson is the seventh largest city in the state and has a very flourishing organization of the business men.

Mr. Boone, during his thirteen months stay in this city has made a host of friends, all of whom will greatly regret to hear of his leaving-taking. During his stay he has done a number of things to help the city and has made the Chamber of Commerce a working organization. He was instrumental in bringing the Gibson Garment Co. to this city, an establishment which gives employment to a large number of persons. Through his efforts the Tobacco Fair and Corn Show was made a success and certainly this was a great thing for the city.

We are certainly sorry to see Mr. Boone leave and hope that he may have the best of success in his new field.

### STORY TELLING SERVICE

This evening from seven to eight, there will be a story-telling service for the members of the Christian Church Bible School. This is for both old and young, yes, and for young and old, for the stories will be interesting to both. The children can well afford to come from distant point in the city to this special meeting as it will be of such interest. Three or four older persons have been selected to tell stories, besides several of the younger children will have recitations, representing special characters. The public, too, may come to this meeting in the chapel of the church. Miss Jennie Dickson will have it in charge.

Prepare yourself for a healthy, happy Xmas; bathe and clean your stomach, liver and bowels; make them fresh and active; able to do their full duty—then you'll be well and happy—Hollister's Rocky Mountain Tea does the work Nature's way. Tea or Tablets, 35c. J. Jas. Wood & Son.

Mr. and Mrs. Harry Vantine of Detroit, Mich., are spending a few days in this city with relatives of the former. Mr. Vantine is a former Maysville boy and is making good in Detroit.

## FLORIDA SCHOOL TEACHER

Anemic, Run-down, Nervous—How She Recovered.

There are so many cases like this right here in Maysville that we are publishing this interesting letter with the hope that some of our customers will try Vinol and get the same happy results that Miss Baez did.

Key West, Fla.—"I am a teacher and became anemic, nervous, run-down, no energy or desire to do anything. I could not sleep and had that languid, nervous feeling that made me a burden to myself. I had taken various tonics without benefit. I heard of Vinol and tried it. Soon I had a good appetite, could sleep all night and it built me up so I have the ambition to do any kind of work."

Mary L. Baez, Key West, Fla.  
The reason Vinol was so successful in this case is because it is a constitutional remedy that goes to the seat of trouble. The cod liver and beef peptones contained in Vinol enrich and revitalize the blood, while the strengthening, tissue-building properties of the iron and manganese peptones and glycerophosphates aid in building up the tired, overworked, run-down system.
